Dear Sir,

Greetings from HCL Technologies!

HCL, India's 3rd largest IT Company is planning to provide employment opportunities through HCL Tech Bee program for deserving candidates who are appearing 12th in 2022. The candidates undergo a 12 month's skilling program including internship, they are entitled for Rs. 10,000/month stipend during their internship. After successful completion of the training the candidates are employed with HCL and they will have to pursue their higher education in B.Sc. Design & Computing (integrated MTech) from BITS Pilani or BCA from Shastra. HCL funds the fee fully/partially.

As we discussed before regarding the webinar scheduled on **22nd March 2022 at 11.00AM.**

Find below the link of google meet.

The enrollment and examination process is ongoing. We would like to reach out to deserving students and their parents for giving them an opportunity to join this program. In this regard we request you to support us with the following

1. Provision of database of candidates with Mathematics/Business Mathematics who will be appearing for exams in 2022.
2. Organize webinar/seminar for the students of 2022
3. Support in conducting HCL-CAT for your students at your premises.
4. Share the provided link with candidates for registration.
